

Aylesbury & District Model Flying Club

Information for Visitors to the Club Field

Article 64 of the Air Navigation Order States :-
A person shall not recklessly or negligently cause or permit an aircraft to endanger any person or property.

Information for visitors to A&DMFC flying sites.

Prospective club members and general visitors are always welcomed at A&DMFC flying sites provided that they observe the following advice and information.

If you are unfamiliar with the club's safety rules, it is strongly recommended that for your own safety, for the safety of minors in your charge and for the safety of club members, that you contact a committee member before visiting either of the club flying sites in order to become acquainted with important safety information.

Children must be accompanied by an adult, parent or guardian at all times and will remain the responsibility of the visiting adult, parent or guardian for the duration of each visit. For your own safety and for the safety of those in your charge, it is important that you follow any instructions given to you by club members. [Click here for committee member contact details.](#)

Do not bring pet animals to club fields. Please also do not enter the club's flying fields when no club members are present.
